

DESCRIPTION

- 13 gauge Machine Knit Shell
- Grey Polyurethane (PU) coating
- Lightweight coating for increased flexibility, sensitivity and dexterity
- Dry grip Polyurethane for improved sensitivity
- Hybrid Armorgard Volkanix liner combines improved cut resistance with a comfortable feel

APPLICATIONS

Automotive

Industrial

Cut Resistant

Construction

General Duty

Moving

TECHNICAL DATA

Material	18 gauge Hybrid Armorgard Volkanix liner, Palm Dip – Polyurthane Dry Grip
Construction	Seamless knit
Color	Liner – Beige, Dip – Grey
Size	Small – 2X-Large
Package	1 dozen per polybag, 6 polybags per case
COO	China
Gram Weight	1755

PERFORMANCE PROPERTIES

Performance Properties

ASTM: 1755 grams +/-10%
ANSI Cut Level A4

Abrasion 0 1 2 3 4

Cut 0 1 2 3 4 5

Tear 0 1 2 3 5

Puncture 0 1 2 3 4
